

The XXV International Conference on Neutrino Physics and Astrophysics

The XXV International Conference on Neutrino Physics and Astrophysics
June 3-9, 2012 Kyoto, Japan

Bulletin # 1
December 2, 2011

The 25th International Conference on Neutrino Physics and Astrophysics (Neutrino 2012) will be held in Kyoto, Japan during June 3-9, 2012. The primary purpose of this Conference is to review the status of present and proposed researches in Neutrino Physics and Astrophysics. It will consist of invited talks and posters. Details and updated information are available in the Conference website:

<http://neu2012.kek.jp/>

The participation to the conference is by invitation only. If you are interested in participating this conference and do not have invitation letter, please contact conference secretariat. (E-mail address is given at the bottom.)

1. Important dates

Mar 1 2012		Deadline for application for financial supports
Mar 1 2012		Deadline for poster abstract submission
Apr 1 2012,	24:00 JST	Deadline for early registration
May 13 2012	24:00 JST	Final deadline for registration
Jun 3 2012		Open registration desk

(JST=GMT+9)

2. Topics

- Neutrino Mixing and Oscillations
- Neutrino Masses
- Neutrino Interactions
- Neutrino Beams and Sources
- Future Detectors and Experiments
- Astrophysical/Cosmological Neutrinos
- Neutrino Technology/Applications

3. Program

The scientific program is under preparation. It will be posted on the website

<http://neu2012.kek.jp/neu2012/programme.html> and will be updated when needed.

The XXV International Conference on Neutrino Physics and Astrophysics

The schedule of the conference is given here:

June-3 (Sun)	Registration and short reception / Public lecture (in Japanese)
June-4 (Mon)	Opening / Invited talks / Poster session / Reception
June-5 (Tue)	Invited talks / Poster session
June-6 (Wed)	Invited talks / Banquet
June-7 (Thu)	Half day excursion / Public lecture (in English)
June-8 (Fri)	Invited talks / Poster session
June-9 (Sat)	Invited talks / Outlook

4. Poster session

We accept your contributions to the poster session. The presenter of the accepted contribution will be invited to this conference. However, the number of the posters is limited to 200 at maximum and thus, not all the contributions may be accepted. The abstract submission can be done via

http://neu2012.kek.jp/neu2012/poster_session.html

The deadline of the submission is March 1, 2012. Then, the approval of your poster will be notified by the end of March 2012.

5. Registration

Participants can make registration at

<http://neu2012.kek.jp/neu2012/registration.html>

As mentioned above, this conference is by invitation only. In order to make registration, you need a registration Access Key which is written in the invitation letter. End of early registration will be April 1, and late registration will end on May 13, 2012.

If your registration is canceled until May 13, the registration fee will be refunded, except for 5000 yen for administrative expenses. No refund can be made for cancellations after May 13 (Late Registration Deadline).

The number of participants is limited to about 500.

6. Financial Supports

Limited supports in the form of partial registration remission and/or supports on accommodation fee will be available with a priority for graduate students and/or speakers from the developing countries. An application can be made at

http://neu2012.kek.jp/neu2012/financhial_supports.html

Graduate students should ask their thesis advisors to send a recommendation letter via

The XXV International Conference on Neutrino Physics and Astrophysics

this web page, too. The deadline for applications is March 1, 2012.

7. Hotel Accommodation

Block reservations at several nearby hotels have been made for conference participants.

Reservation and payment for those hotels can be made from the registration page;

<http://neu2012.kek.jp/neu2012/registration.html>

Accommodation reservation page will be opened on 16 January 2012

8. Conference Venue

The conference will be held at the Kyoto TERRSA.

<http://www.kyoto-terra.or.jp/>

The address is Shinmachi Kujo Minami-ku, Kyoto, Japan.

TEL; +81-75-692-3400

9. Travel information

The most convenient international airport to access to Kyoto is Kansai International Airport.

<http://www.kansai-airport.or.jp/en/index.asp>

From the airport to Kyoto, it takes about 85 minutes by taxi or bus, and 75 minutes by train.

10. Visas

Participants from some countries will need a visa in order to enter Japan. Please check if this will be necessary well in advance. Information from the Ministry of Foreign Affairs of Japan's website is at

http://www.mofa.go.jp/j_info/visit/visa/index.html

If you need documents for visa application, please submit your request form at

http://www-conf.kek.jp/neu20122/regist/abst_form.php

11. Committees

International Advisory Committee

Frank T. Avignone III (South Carolina)

Alessandro Bettini (Canfranc Underground)

Milla Baldo Ceolin (Padova)

Janet Conrad (MIT)
